AKHTAR INDUSTRIAL PARK

Akhtar furnishers is one of the most celebrated and initial names in Bangladesh that spring to mind when one thinks about furniture. After the liberation Akhtar Furnishers has become synonymous with customer satisfaction and trust. When Dr. K M Akhtaruzzaman founded Akhtar Furnishers in 1976, it was immediately known for its creative designs and premium goods, making it the most prominent furniture company in the nation. With its contemporary facilities and cutting-edge machinery, Akhtar Furnishers is a shining example of excellence in the sector today. Superior quality, outstanding service, professionalism, teamwork, and honesty are at the heart of our fundamental principles. Akhtar Furnishers maintains its market leadership and sets the bar for quality in the Bangladeshi furniture business by continuously going above and beyond for its customers. We continue to be dedicated to pushing the limits of design and craftsmanship, making sure that each piece of furniture we make adds to the legacy of the brand, and we sail proudly through the industry.
